Notes:

All course equivalents listed above must be completed with a grade of C or higher to be considered direct transfers to CCA's curriculum.

This document is a sample of courses available for transfer credit. To see if your Humanities & Sciences course is possibly transferable to CCA, The ASSIST website (assist.org) used in conjunction with CCA's CSU Breadth Chart (<https://www.cca.edu/sites/default/files/pdf/csu-breadth-chart.pdf>) can help you find applicable courses at other institutions.

CCA recognizes the Intersegmental General Education Transfer Curriculum (IGETC). Completion of the IGETC will enable a student to complete up to 33 units for Humanities and Sciences.
